Grant funds must be used for costs incurred during the Agreement Period.

- Grantee's Financial Hardship.** Grantee attests that it has experienced financial hardship as a result of the COVID-19 pandemic and its economic impacts, such as lost revenue or increased costs, challenges covering payroll, rent or mortgage, or other operating costs, the capacity of a small business to weather financial hardships, and/or general financial insecurity resulting from the public health emergency. Grantee further attests that the amount of this grant is proportional to (or less than) this financial hardship, taking into account any funding, whether local, state, federal, or private, that Grantee has received for the same purpose and for the same time period. Grantee has provided the City with true and correct records documenting this financial hardship, as well as all other funding Grantee has received for the same purpose and the same time period.
- Scope of Eligible Costs.** Grant funds may only be used to pay or reimburse eligible costs as described in the "Federal Terms" (**Exhibit 1**), and as detailed in the "Scope of Work" (**Exhibit 2**). Funds shall only be disbursed after all documentation has been submitted.
- Maintenance of and Access to Records.** Grantee shall maintain all records and accounts with respect to all matters covered by this Agreement, including personnel, property, financial, and programmatic records and documents sufficient to evidence compliance with section 603(c) of the Act, Treasury's regulations implementing that section, and guidance issued by Treasury regarding the foregoing. These records shall be maintained for a period of six (6) years after all funds have been expended or returned to the City, whichever is later, to ensure proper accounting for all funds and compliance with the Agreement. The City, the Treasury

Office of Inspector General, and the Government Accountability Office, or their authorized representatives, shall have the right of access to records (electronic and otherwise) of Grantee in order to conduct audits or other investigations. Grantee acknowledges that records may be subject to disclosure under the Public Records Act, Ch. 42.56 RCW.

8. **Disclaimer by the City and United States.** The United States has expressly disclaimed any and all responsibility or liability to the City or third persons for the actions of the City or third persons resulting in death, bodily injury, property damages, or any other losses resulting in any way from the performance of this award or any other losses resulting in any way from the performance of the award of Federal funds to the City under section 603(c) of the Act, or any contract or subcontract under such award. The City expressly disclaims any and all responsibility or liability to Grantee or third persons for the actions of Grantee or third persons resulting in death, bodily injury, property damages, or any other losses resulting in any way from the performance of this Agreement or any other losses resulting in any way from the performance of the Agreement, or any subcontract thereto. This Agreement does not in any way establish an agency relationship between or among the United States, the City, and/or Grantee.
9. **False Statements.** Grantee understands that making false statements or claims in connection with this Agreement may be a violation of federal law and may result in criminal, civil, or administrative sanctions, including fines, imprisonment, civil damages and penalties, debarment from participating in federal or City awards or contracts, and/or any other remedy available by law.
10. **Debarment and Suspension Certification.** Entities that are debarred, suspended, or proposed for debarment, by the U.S. Government are excluded from receiving federal funds and contracting with the City. Grantee, by signature to this Agreement, certifies that Grantee is not currently debarred, suspended, or proposed for debarment, by any Federal department or agency. Grantee also agrees that it will not enter into a subcontract with a person or entity that is debarred, suspended, or proposed for debarment. Grantee will notify the City if it, or a subcontractor, is debarred, suspended, or proposed for debarment, by any Federal department or agency. Grantee further agrees that it is financially responsible for and will repay the City any and all indicated amounts following an audit exception which occurs due to Grantee's failure, for any reason, to comply with the terms of this Agreement. This duty to repay the City shall not be diminished or extinguished by the termination of the Agreement.
13. **Conflict of Interest.** Grantee designees, agents, members, officers, employees, consultants, and any other public official who exercises or who has exercised any functions or responsibilities with respect to the Program during his or her tenure, or who is in a position to participate in a decision-making process or gain inside information with regard to the Program, are barred from any interest, direct or indirect, in any grant or proceeds of the Program, or benefit there from, which is part of this Agreement at any time during or after such person's tenure.

Grantee agrees that its obligations under this paragraph extend to any demands, liabilities, causes of action, or claims brought by, or on behalf of, any of its employees or agents. For this purpose, Grantee, by mutual negotiation, hereby waives, as respects the City only, any immunity that would otherwise be available against such claims under any industrial insurance act, including Title 51 RCW, other Worker's Compensation act, disability benefit act, or other employee benefit act of any jurisdiction which would otherwise be applicable in the case of such claim. - C. By requiring such minimum insurance coverage, the City shall not be deemed or construed to have assessed the risks that may be applicable to Grantee under this Contract. Grantee shall assess its own risks and, if it deems appropriate and/or prudent, maintain greater limits and/or broader coverage.
- D. Nothing contained within these insurance requirements shall be deemed to limit the scope, application and/or limits of the coverage afforded, which coverage will apply to each insured to the full extent provided by the terms and conditions of the policy(s). Exhibit 4: CIVIL RIGHTS CERTIFICATION FORM

The funds provided to the grant beneficiary named below (hereinafter referred to as the "Grantee") are available under section 603 of the Social Security Act, as added by section 9901 of the American Rescue Plan Act.

Grantee understands and acknowledges that:

As a condition of receipt of federal financial assistance from the Department of the Treasury, with monies distributed through City of Everett, Grantee provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to Grantee, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits.

The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the operations of Grantee's program(s) and activity(ies), so long as any portion of Grantee's program(s) or activity(ies) is federally assisted in the manner prescribed above

Grantee certifies the following:

1. Grantee ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
2. Grantee acknowledges that Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency," seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Grantee understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury's implementing regulations. Accordingly, Grantee shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Grantee understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in Grantee's programs, services, and activities.
3. Grantee agrees to consider the need for language services for LEP persons when Grantee develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>.
4. Grantee acknowledges and agrees that compliance with the assurances constitutes a condition of continued receipt of federal financial assistance and is binding upon Grantee and its successors, transferees, and assignees for the period in which such assistance is provided.
5. Grantee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits Grantees of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement). Title VI also includes

protection to persons with "Limited English Proficiency" in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.

6. Grantee understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates Grantee, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Contractor for the period during which it retains ownership or possession of the property.
7. Grantee shall cooperate in any enforcement or compliance review activities by the Department of the Treasury of the aforementioned obligations. Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of any settlement agreements that may result from these actions. Grantee shall comply with information requests, on-site compliance reviews and reporting requirements.
8. Grantee shall maintain a complaint log and inform the Department of the Treasury of any complaints of discrimination on the grounds of race, color, or national origin, and limited English proficiency covered by Title VI of the Civil Rights Act of 1964 and implementing regulations and provide, upon request, a list of all such reviews or proceedings based on the complaint, pending or completed, including outcome. Grantee also must inform the Department of the Treasury if Contractor has received no complaints under Title VI.
9. Grantee must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other agreements between the Contractor and the administrative agency that made the finding. If Grantee settles a case or matter alleging such discrimination, Grantee must provide documentation of the settlement. If Grantee has not been the subject of any court or administrative agency finding of discrimination, please so state.
10. The United States of America has the right to seek judicial enforcement of the terms of this assurances document and nothing in this document alters or limits the federal enforcement measures that the United States may take in order to address violations of this document or applicable federal law.

I hereby certify that I have read and understood the obligations described above, that Grantee is in compliance with the above-described nondiscrimination requirements, and by my signature on this document, acknowledge my understanding that any intentional or negligent misrepresentation or falsification of any information submitted in conjunction with this document could subject me to punishment under federal, civil liability and/or in criminal penalties, including but not limited to fine or imprisonment or both under Title 18, United States Code, Sec. 1001, et seq. and punishment under federal law.
