

RESOLUTION NO. 7852

A RESOLUTION waiving public bidding requirements and approving a multiple-year sole-source purchase of support and maintenance for Cayenta Financials Software from Cayenta Canada, Inc., a division of N. Harris Computer Corporation.

WHEREAS,

- A. The City has chosen and used Cayenta Financials as its enterprise financial software since 1992; and
- B. N. Harris Computer Corporation, as the developer and licensor of Cayenta Financials, is the only source of maintenance, support, and upgrades for this software; and
- C. As long as the City maintains its Cayenta financial system, and N. Harris Computer Corporation is the only authorized provider of Cayenta software, it is in the City's best interest to approve the sole source purchase for multiple years rather than on an annual basis.

NOW, THEREFORE, BE IT RESOLVED THAT:

There is clearly and legitimately only one source capable of supplying maintenance, support, and upgrades for Cayenta Financials Software. The City hereby waives competitive bidding requirements and authorizes the purchase of support and maintenance from Cayenta Canada, Inc., a division of N. Harris Computer Corporation for multiple years.
