<p>Brief Description of Engagement</p>	<p>Calibre Press will be providing a two-day training event titled Street Survival Seminar. This training addresses law enforcement as the multi-faceted profession it has become. Rather than limiting our focus to just surviving deadly threats, we also discuss the need to prepare officers for making sound, legal and reasonable decisions under stress in order to preserve the lives of citizens as well as their own. The foundation of this program is understanding and training realistically for stress events. From driving too fast and using unwarranted amounts of force to ineffective communication and the inability to decompress off-duty, the seminar emphasizes the need to understand and manage stress as the key to professional and personal success.</p> <p>1.
