

# ADDENDUM

Sonitrol Pacific  
A Sound Security, Inc. Company

This Addendum to Client Agreement No. S083539, S74360, L051701, L87804 dated 05/08/89, 12/04/09, 11/17/09, 10/31/2000 made this 3rd day of September, 20 24 by and between Dealer, an independent Sonitrol Dealer Franchise, hereinafter referred to as "Dealer" and City of Everett WPCF located at 4027 4th St SE, Everett, WA 98201, hereinafter referred to as "Client";

The Client Hereby requests and agrees to the following addendum:

*City of Everett WPCF has been advised and does agree to terms of implementing an emergency check-in service as part of the existing legacy panels currently installed and the POTS lines (plain old telephone service) they're connected to. Due to the volatile reliability of POTS lines this service has the potential to fail to send a check in signal if phone lines happen to be down at the time of check in and will not be the liability of Sonitrol Pacific. City of Everett WPCF has been advised and understands a more reliable plan for communications is to upgrade all panels which utilize internet for communications and potentially add a wireless panic system at this campus.*
