Project Verification

Snohomish PUD will verify the scope of this project has been installed as Authorized. On-site progress and/or post installation verification may be required.

Terms & Conditions

The Participant ("Customer") hereby applies for incentive payment from Public Utility District No. 1 of Snohomish County ("PUD") under its Commercial and Industrial Energy Efficiency Programs. Incentive payment will be made when the project satisfies the PUD's requirements. PUD reserves the right to change and/or terminate the program or extend the term of the Agreement at any time.

The Customer:

- Certifies that project documentation used in developing this project accurately reflects existing conditions and project scope.
- Understands that projected energy and cost savings are estimates.
- Understands that the incentive payment will not exceed 100% of the actual total project cost.
- Will seek PUD approval prior to changes that may affect the savings and incentive amount. Any changes to incentive amounts are subject to available funding.
- Assumes full responsibility for equipment selection and installation, project management and payment of contractors and/or suppliers, as well as disposal of equipment, in accordance with all applicable federal, state and local laws, building codes and permitting requirements.
- Is responsible for payment of any federal, state or local taxes and any tax liability associated with Customer's receipt of PUD's incentive payment, including any income tax that may be imposed on the Customer as a result of the receipt of incentive payments.
- Agrees to provide all information required by PUD to evaluate and verify whether project complies with and meets PUD incentive payment requirements.
- Understands that the PUD may, during reasonable hours, verify the project at the site identified on this agreement before, during and/or after the installation of equipment for the sole purpose of verifying compliance with the performance obligations required by the PUD's Programs. The limited scope and purpose of any PUD verification is not intended to discover or report any defects, code violations or hazards of any kind. For that reason, the Customer should carefully inspect the performance of any equipment supplier and any contractor and/or request inspection by appropriate governmental agencies.
- Agrees to defend, indemnify and hold harmless PUD and its officials, officers, employees and agents from and against any and all losses, liabilities, damages, costs, expenses (including attorney's fees and expenses), claims, or judgments (individually and collectively referred to as "Claims") arising out of or in connection with Customer's participation in this program, but nothing herein shall require Participant to indemnify PUD for that portion of any such Claims attributable to the negligent acts or omissions of PUD and its officials, officers, employees and agents.
- At time of completion, customer certifies the scope of this project has been completed, specified products have been installed, and the invoiced amount matches your records.
- Certifies that, at project completion, all specified products will be installed, and the invoiced amount will match PUD records.
- Understands that the PUD may release account information related to your participation in this program including billing and energy usage information to third party evaluators solely for the purpose of evaluating the program, confirming energy savings, and for other quality assurance purposes. For more information go to www.snopud.com/privacy-policy/.
