Everett, WA. 98201

Re: Project Eclipse Mill Park Inductive Charging Infrastructure for Everett Transit

The Work items identified in the inspection punch list have been completed. The Contractor,
Valdez Construction, hereby requests certification of
Physical Completion and establishment of the date of Physical Completion and the beginning of
the warranty period.

The Contractor understands that the Owner will assume maintenance for items within the facility
that does not conflict with warranties or maintenance of specified items indicated within the
Contract Documents or in any way relieves the contractor of any responsibilities and warranties
of the facility. The contractor understands that the application for physical completion is not the
date that the warranties start but that the date shall be set by the date indicated on the
Certificate of Completion Form signed and dated by the Mayor as recommended by city council.
