

RESOLUTION NO. 8221

A RESOLUTION waiving public bidding requirements and approving a multiple-year sole-source for Integrated Technology Systems (ITS) hardware and associated software from Strategic Mapping, Inc.

WHEREAS,

- A. Everett Transit's fixed fleet is equipped with Integrated Technology Systems (ITS), which provide reliable data on transit ridership, expenses, fares, safety, assets, and other transit system information; and
- B. Strategic Mapping, Inc. is the only authorized supplier and service provider for the ITS and associated software; and
- C. As long as Strategic Mapping, Inc. is the only authorized provider of the ITS and associated software, it is in the City's best interest to approve the sole source purchase for multiple years rather than on an annual basis.

NOW, THEREFORE, BE IT RESOLVED THAT:

There is clearly and legitimately only one source capable of supplying Integrated Technology Systems and associated software on the Everett Transit fixed-route fleet. The City hereby waives competitive bidding requirements and authorizes a sole source for hardware and software upgrades, maintenance, repairs, and replacements to components from Strategic Mapping, Inc.
