

Addendum
Revised Data Scope
Research Agreement No. 2024-161

Project Name:	Gun Violence Analysis	Primary Contact:	Mikaela Rabinowitz
----------------------	-----------------------	-------------------------	--------------------

Original Stated Purpose:

This project is a Gun Violence Problem Analysis conducted in collaboration with the Snohomish County Community Safety Council. The Gun Violence Problem Analysis aims to understand dynamics of violence within a jurisdiction including the people, places, and situations most often involved in gun violence incidents.

This Amendment is made between the National Institute for Criminal Justice Reform ("Researcher"), and the City of Everett as the Data Providing Agency ("Department") for the purpose of amending the above-referenced Research Agreement, previously entered into between Researcher and Department.

WHEREAS the purpose of this Amendment is to adjust the data scope (Exhibit A) of Research Agreement Number 2024-161.

NOW THEREFORE, in consideration of the terms and conditions contained in the Research Agreement, Researcher and the Department agree as follows:

Exhibit A, Data Scope, is hereby amended, in part, as follows (amended language underlined>:
