

RESOLUTION NO. 8273

A RESOLUTION waiving public bidding requirements and approving a multiple-year sole-source for Software Enterprise Agreement from Environmental Systems Research Institute Inc.

WHEREAS,

- A. Everett deploys the Environmental Systems Research Institute Inc. (ESRI) software platform across multiple city departments to access the geographic information system (GIS) database, mapping products, mobile GIS viewers (MapEverett Enterprise), asset management system (Cityworks), and public interactive map site (MapEverett); and
- B. Environmental Systems Research Institute Inc. is the only authorized supplier for the required software enterprise agreement for licenses, upgrades, maintenance, and technical support; and
- C. As long as Environmental Systems Research Inc. is the only authorized provider of the software enterprise agreement, it is in the City's best interest to approve the sole source purchase for multiple years rather than on an annual basis.

NOW, THEREFORE, BE IT RESOLVED THAT:

There is clearly and legitimately only one source capable of supplying a software enterprise agreement for licenses, upgrades, maintenance, and technical support required to use the Environmental Systems Research Institute Inc. GIS platform. The City hereby waives competitive bidding requirements and authorizes a sole source for the software enterprise agreement with Environmental Systems Research Institute, Inc.

A handwritten signature in black ink, appearing to read 'B. R. Z...', written over a horizontal line.

Councilmember introducing resolution

Passed and approved this 18th day of February, 2026.

A handwritten signature in black ink, appearing to read 'Tom DeLuca', written over a horizontal line.

Council President
