Project: Vehicle Upfit and Service Bodies

Partner/Supplier: Allied Body Works, Inc.

Location:

Preceding action: 12/10/25 Authorize Release of Invitation for Bid #2025-092 Vehicle Upfit and Service Bodies

Fund: 501

Fiscal summary statement:

The award amount for the vehicle upfit and service body installation services is approximately \$2,000,000 annually, including sales tax. The Services Agreement authorizes city staff to request equipment to be installed on city-owned vehicles as needed.

Project summary statement:

Bids were requested from vehicle equipment and fabrication companies to provide equipment for building and installing custom service bodies and miscellaneous auxiliary equipment on City-owned vehicles and truck chassis.

Annually, the City of Everett purchases several incomplete truck and van chassis, pickup trucks, and empty but complete cargo vans, destined to be converted into service vehicles. These vehicles require upfitting into useful vehicles before they can be used for daily operations. Due to the critical nature of providing City services, certain department vehicles may be prioritized.

The Invitation for Bid was released on December 11, 2025. It was advertised in the Everett Herald. Additionally, ten (10) companies were directly notified about the opportunity. On January 20, 2026, four bids were received. Staff requests an award to Allied Body Works, Inc.

Recommendation (exact action requested of Council):

Award Invitation for Bid #2025-092 Vehicle Upfit and Service Bodies and authorize the mayor to sign the Services Agreement as substantially provided with Allied Body Works, Inc., not to exceed \$2,000,000 per year, including Washington state tax.

SERVICES AGREEMENT
(GENERAL PROVISIONS)**

1. **Engagement of Service Provider.** The City hereby agrees to engage Service Provider, and Service Provider hereby agrees, to perform the work in a competent manner and provide the services described in the Agreement Documents. The work so described is hereafter referred to as “Work”.
 - A. Without a written directive of an authorized representative of the City, Service Provider shall not perform any services that are in addition to, or beyond the scope of, the Work.
 - B. If Service Provider’s proposal or other document generated by Service Provider is incorporated or attached as an Agreement Document or any part of Agreement Document or in any amendment or task or work order pursuant to this Agreement, then such proposal or document is part of this Agreement solely to the extent that it describes the Work, the Work schedule, and the amounts or rates to be paid for such Work. Service Provider expressly agrees that no terms or conditions from such proposal or document are incorporated or included into this Agreement, unless the to-be-included term or condition is specifically referenced in the “Additional Provision(s)” portion of the Basic Provisions.
 - C. In the event of difference or conflict between parts of this Agreement, Service Provider shall be bound by whichever is more stringent on Service Provider, except that the following provisions in the Basic Provisions shall always govern: the Completion Date, the Maximum Compensation Amount, the Extension Provision, and the Additional Provisions.
2. **Time of Beginning and Completion of Performance.** This Work shall commence as of the date of mutual execution of this Agreement and shall be completed by Completion Date stated in the Basic Provisions. The Completion Date may be extended as set forth in the Basic Provisions.
3. **Compensation.**
 - A. The City shall pay Service Provider only for completed Work and for services actually rendered which are described herein. Such payment shall be full compensation for Work performed or services rendered, including, but not limited to, all labor, materials, supplies, equipment and incidentals necessary to complete the Work.
 - B. Service Provider shall be paid such amounts and in such manner as described in the Agreement Documents.
 - C. Total compensation, including all services and expenses, shall not exceed the Maximum Compensation Amount in the Basic Provisions.
 - D. If Service Provider fails or refuses to correct its work when so directed by the City, the City may withhold from any payment otherwise due an amount that the City in good faith believes is equal to the cost to the City of correcting, re-procuring, or remedying any damage caused by Service Provider’s conduct.
4. **Method of Payment.** To obtain payment, the Service Provider shall follow procedures as required by the City Project Manager.
5. **Termination of Contract.** City reserves the right to terminate this Agreement at any time by sending written notice of termination to Service Provider. Unless terminated for Service Provider’s material breach, Service Provider shall be paid for Work completed prior to termination.
6. **Subletting/Assignment of Contracts.** Service Provider shall not sublet or assign any of the Work without the express, prior written consent of the City.

7. **Indemnification.** Except as otherwise provided in this Section, Service Provider hereby agrees to defend and indemnify and save harmless the City from any and all Claims arising out of, in connection with, or incident to any negligent or intentional acts, errors, omissions, or conduct by Service Provider (or its employees, agents, representatives or subcontractors/subconsultants) relating to this Agreement, whether such Claims sound in contract, tort, or any other legal theory. Service Provider is obligated to defend and indemnify and save harmless the City pursuant to this Section whether a Claim is asserted directly against the City, or whether it is asserted indirectly against the City, e.g., a Claim is asserted against someone else who then seeks contribution or indemnity from the City. Service Provider's duty to defend and indemnify and save harmless pursuant to this Section is not in any way limited to, or by the extent of, insurance obtained by, obtainable by, or required of Service Provider. Service Provider's obligations under this Section shall not apply to Claims caused by the sole negligence of the City. If (1) RCW 4.24.115 applies to a particular Claim, and (2) such Claim is caused by or results from the concurrent negligence of (a) Service Provider, its employees, subcontractors/subconsultants or agents and (b) the City, then Service Provider's liability under this Section shall be only to the extent of Service Provider's negligence. Solely and expressly for the purpose of its duties to indemnify and defend and save harmless the City, Service Provider specifically waives any immunity it may have under the State Industrial Insurance Law, Title 51 RCW. Service Provider recognizes that this waiver of immunity under Title 51 RCW was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. As used in this Section: (1) "City" includes the City, the City's officers, employees, agents, and representatives and (2) "Claims" include, but is not limited to, any and all losses, penalties, fines, claims, demands, expenses (including, but not limited to, attorney's fees and litigation expenses), suits, judgments, or damages, irrespective of the type of relief sought or demanded, such as money or injunctive relief, and irrespective of whether the damage alleged is bodily injury, damage to property, economic loss, general damages, special damages, or punitive damages or infringement or misappropriation of any patent, copyright, trade secret, or other proprietary right. If, and to the extent, Service Provider employs or engages subconsultants or subcontractors, then Service Provider shall ensure that each such subconsultant and subcontractor (and subsequent tiers of subconsultants and subcontractors) shall expressly agree to defend and indemnify and save harmless the City to the extent and on the same terms and conditions as Service Provider pursuant to this Section. The provisions of this Section shall survive the expiration or termination of this Agreement.
8. **Insurance.**
- A. Service Provider shall comply with the following conditions and procure and keep in force during the term of this Agreement, at Service Provider's own cost and expense, the policies of insurance as set forth in this Section with companies authorized to do business in the State of Washington, which are rated at least "A-" or better and with a numerical rating of no less than seven (7), by A.M. Best Company and which are acceptable to the City.
1. Workers' Compensation Insurance as required by Washington law and Employer's Liability Insurance with limits not less than \$1,000,000 per occurrence. If the City authorizes sublet work, Service Provider shall require each subcontractor to provide Workers' Compensation Insurance for its employees, unless Service Provider covers such employees.
 2. Commercial General Liability Insurance on an occurrence basis in an amount not less than \$1,000,000 per occurrence and at least \$2,000,000 in the annual aggregate, including but not limited to: premises/operations (including off-site operations), blanket contractual liability and broad form property damage.

3. Business Automobile Liability Insurance in an amount not less than \$1,000,000 per occurrence, extending to any automobile. A statement certifying that no vehicle will be used in accomplishing this Agreement may be substituted for this insurance requirement.
 - B. The above liability policies shall be primary as to the City and shall contain a provision that the policy shall not be canceled or materially changed without 30 days prior written notice to the City. No cancellation provision in any insurance policy shall be construed in derogation of the continuous duty of Service Provider to furnish the required insurance during the term of this Agreement.
 - C. The Description of Operations on the Certificate of Insurance must substantially read as follows: "The above commercial general and auto liability policies are primary as to the City of Everett; have the City of Everett, its officers, employees, agents, and volunteers as additional insureds; and contain a provision that the policy shall not be canceled or materially changed without 30 days prior written notice to the City of Everett."
 - D. Prior to Service Provider performing any Work, Service Provider shall provide the City or the City's designee with a Certificate of Insurance and endorsements acceptable to the City Attorney evidencing the required insurance.
 - E. Service Provider certifies that it is aware of the provisions of Title 51 of the Revised Code of Washington that requires every employer to be insured against liability of Workers' Compensation, or to undertake self-insurance in accordance with the provisions of that Title. Service Provider shall comply with the provisions of Title 51 of the Revised Code of Washington before commencing the performance of the Work. Service Provider shall provide the City with evidence of Workers' Compensation Insurance (or evidence of qualified self-insurance) before any Work is commenced.
9. **Risk of Loss.** Service Provider shall be solely responsible for the safety of its employees, agents and subcontractors in the performance of the work hereunder and shall take all protections reasonably necessary for that purpose. All work shall be done at Service Provider's own risk, and Service Provider shall be solely responsible for any loss of or damage to Service Provider's materials, tools, or other articles used or held for use in connection with the work.
 10. **Independent Contractor.** This Agreement neither constitutes nor creates an employer-employee relationship. Service Provider must provide services under this Agreement as an independent contractor. Service Provider must comply with all federal and state laws and regulations applicable to independent contractors including, but not limited to, the requirements listed in this Section. Service Provider agrees to indemnify and defend the City from and against any claims, valid or otherwise, made against the City because of these obligations
 11. **City of Everett Business License.** Service Provider agrees to obtain a City of Everett business license prior to performing any work pursuant to this Agreement.
 12. **Compliance with Federal, State and Local Laws.** Service Provider shall comply with and obey all federal, state and local laws, regulations, and ordinances applicable to the operation of its business and to its performance of work hereunder.
 13. **Compliance with the Washington State Public Records Act.** Service Provider acknowledges that the City is subject to the Public Records Act, chapter 42.56 RCW (the "Act"). All records owned, used or retained by the City are public records subject to disclosure unless exempt under the Act, whether or not such records are in the possession or control of the City or Service Provider. Service Provider shall cooperate with the City so that the City may comply with all of its obligations under the Act.
 14. **Equal Employment Opportunity.** Service Provider shall not discriminate against any employee, applicant for employment, or other person on the basis of race, color, religion, sex, age,

disability, marital state, or national origin or other circumstance prohibited by applicable federal, state, or local law or ordinance. 15. **Waiver.** Any waiver by Service Provider or the City or the breach of any provision of this Agreement by the other party will not operate, or be construed, as a waiver of any subsequent breach by either party or prevent either party from thereafter enforcing any such provisions.
16. **Complete Agreement.** This Agreement contains the complete and integrated understanding and agreement between the parties and supersedes any understanding, agreement or negotiation whether oral or written not set forth herein.
17. **Modification of Agreement.** This Agreement may only be modified by a writing explicitly identified as a modification or amendment of this Agreement that is signed by authorized representatives of the City and Service Provider.
18. **Severability.** If any part of this Agreement is found to be in conflict with applicable laws, such part shall be inoperative, null and void, insofar as it is in conflict with said laws, and the remainder of the Agreement shall remain in full force and effect.

Preceding action: Funding Ordinance [4084-25](#)

Fund: 354, Program 100 (CIP-3)

Fiscal summary statement:

On March 26, 2025, City Council adopted a funding Ordinance to fund the design, engineering, and construction costs for the proposed repairs to three floating docks in the amount of \$140,000. At well-over thirty years old the floating docks are long-overdue for deferred maintenance.

Project: WFP Water Standpipe Replacement

Partner/Supplier: WA State Department of Health

Location: Water Filtration Plant (WFP)

Preceding action: None

Fund: 336 - Water & Sewer System Improvements Fund

Fiscal summary statement:

The WA State Department of Health awarded the City a \$500,000 loan through the Drinking Water State Revolving Fund (DWSRF) program for design costs on the project.

The programmed available funding for design of this project is \$750,000. This includes the DWSRF loan funds totaling \$500,000 and Fund 401 – Water & Sewer Utility funds totaling \$250,000.

Project summary statement:

The WFP’s water supply system is critical infrastructure that includes a 200,000-gallon standpipe and 8-inch diameter cast iron standpipe supply line. The standpipe and supply line were constructed in 1966. A 2019 condition assessment found corrosion at the base of the standpipe and its anchor bolts. A plantwide resiliency, reliability, and redundancy assessment performed in 2021 found that the standpipe and supply line have reached the end of useful service life and need replacement.

This project will replace the plant water standpipe and standpipe supply line.

Council approval of this ordinance will provide funding for the design phase of the project. The department will return with a subsequent funding ordinance amendment request when design is substantially complete and more detailed construction cost estimates are available.

Project: Ordinance relating to Endangerment with a Controlled Substance

Partner/Supplier: NA

Location: NA

Preceding action: NA

Fund: NA

Fiscal summary statement:

NA

Project summary statement:

This proposed ordinance would create a new gross misdemeanor crime known as Endangerment with a Controlled Substance. Under this new ordinance, a person is guilty of the crime if he or she knowingly or recklessly caused a child, someone under 18 years of age, to be exposed to a Schedule I or Schedule II controlled substance, as scheduled in state or federal law. Schedule I and Schedule II controlled substances include, among others, heroin, fentanyl, LSD, ecstasy, and cocaine. The ordinance provides that providing a scheduled drug to a child pursuant to a valid prescription is not a violation of the ordinance.

Exposing a minor to methamphetamine is a class B Felony under RCW 9A.42.100. This ordinance does not regulate violations that amount to a violation of RCW 9A.42.100.

Recommendation (exact action requested of Council):

Adopt an Ordinance creating a new chapter of the Everett Municipal Code relating to Endangerment with a Controlled Substance.

ORDINANCE NO. _____

An ORDINANCE adopting a new chapter of the Everett Municipal Code relating to Endangerment with a Controlled Substance.

WHEREAS,

- A.** The City of Everett has the power to provide for the punishment of all practices dangerous to public health or safety, and to make necessary for the preservation of public health, peace, and good order, and to provide for the punishment of all persons charged with violating any city ordinance.
- B.** It is a Class B felony under RCW 9A.42.100 to knowingly or intentionally permit dependent children or adults to be exposed to, ingest, inhale, or have contact with methamphetamine or specific ingredients utilized for its production.
- C.** Efforts to amend RCW 9A.42.100 to include the knowing or intentional exposure to fentanyl and other synthetic opioids have repeatedly stalled in the State Legislature.
- D.** The Everett Police Department has investigated thirty-three overdoses involving minor victims since 2019. Over 35% of those investigations (36%) involved children ages 1-3¹. One was fatal. Of those involving very young children, seven are known to have involved fentanyl, including the fatal exposure.
- E.** Controlled substances come in all forms, and they are regularly made into powders, pills, candies, eye droppers, and nasal sprays.
- F.** Users are unable to discern by sight, taste, or smell just how potent and dangerous these illicit drugs may be due to unregulated sources. The identity, purity, and quantity are uncertain and inconsistent, thus posing significant adverse health risks not only to the user, but also to their family members or members of the public who may be exposed inadvertently or through secondhand contact.
- G.** The Washington State Office of the Family and Children's Ombuds Child Fatalities and Near Fatalities in Washington State 2025 report states that 25% of DCYF-investigated child fatalities, and 66% of near-fatalities, were caused by accidental ingestions and overdoses of controlled substances, with 78% of those combined incidents involving fentanyl². Fentanyl accounted for 30 of the 38 accidental ingestions by children under 11.
- H.** These risks are particularly high for infants and toddlers who may live in close proximity to and come in contact with controlled substances through no fault of their own. Over half (52.5%) of

children involved in accidental ingestions and overdoses investigated by DCYF in 2024 involved children aged 0 and 1 years old³.

- I. For those who survive exposure, non-fatal opioid-involved overdoses can result in immediate and long-term complications such as brain injury, developmental difficulties, psychiatric effects, and respiratory complications.
- J. The City encourages the State Legislature to amend RCW 9A.42.100 in such a way that appropriately criminalizes recklessly or knowingly permitting a child to be exposed to, ingest, inhale, absorb or have contact with any controlled substance, including synthetic opioids.
- K. In the interim, the City Council finds that it is necessary and appropriate in protecting the public health, safety, and welfare to take immediate steps to protect children from the dangers of exposure to powerful controlled substances such as fentanyl and deter the endangerment of children caused by exposure to these substances.

NOW, THEREFORE, THE CITY OF EVERETT DOES ORDAIN:

Section 1. Findings adopted

The findings set forth in the above recitals are hereby adopted and incorporated by reference. Further, the City Council specifically finds that the regulation of the conduct addressed in this Ordinance is a valid exercise of police power.

Section 2. New Chapter 10.xx EMC

A new chapter 10.41 is hereby added to the Everett Municipal Code as chapter 10.41 EMC as follows:

Chapter 10.41

Endangerment with a Controlled Substance

10.41.010 Definitions

For the purpose of this Chapter, the following terms shall apply:

- A. "Child" shall mean the same as the term is defined in RCW 9A.42.010.
- B. "Controlled Substance" shall mean the same as the term is defined in RCW 69.50.101.
- C. "Prescription" shall mean the same as the term is defined in RCW 69.50.101.

10.41.020 Endangerment with a Controlled Substance

- A. Under circumstances not amounting to endangerment with a controlled substance under RCW 9A.42.100, a person is guilty of the crime of endangerment with a controlled substance if the

person knowingly or recklessly causes a child to be exposed to, ingest, inhale, absorb, or have contact with any controlled substance classified in Schedule I or Schedule II as set forth in State or Federal law, or the smoke of a substance that the person knows, or reasonably should know, contains, or is contaminated with, a controlled substance classified in Schedule I or Schedule II.

- B. Administering or providing a controlled substance to a child in the course of delivering health care services pursuant to and in accordance with a valid prescription is not a violation of this Section.
- C. This chapter shall not apply to, nor be deemed or construed to conflict with, conduct specifically prohibited by RCW 9A.42.100.

10.41.030. Penalty for Violations

Any person who violates this section is guilty of a gross misdemeanor punishable by up to 364 days in jail and a \$5,000 fine.

10.41.040. Preemption

In the event the Washington State Legislature passes a law preempting this Chapter, this Chapter shall cease to have effect on the same date the state statute comes into effect. Any violation of this Chapter that occurs prior to the preempting statute coming into effect may be prosecuted and punished pursuant to this Ordinance.

Section 3. The City Clerk and the codifiers of this Ordinance are authorized to make necessary corrections to this Ordinance including, but not limited to, the correction of scrivener's/clerical errors, references, ordinance numbering, section/subsection numbers, and any internal references.

Section 4. The City Council hereby declares that should any section, paragraph, sentence, clause or phrase of this ordinance be declared invalid for any reason, it is the intent of the City Council that it would have passed all portions of this ordinance independent of the elimination of any such portion as may be declared invalid.

Section 5. The enactment of this Ordinance shall not affect any case, proceeding, appeal or other matter currently pending in any court or in any way modify any right or liability, civil or criminal, which may be in existence on the effective date of this Ordinance.

Good Evening Ms. Ely and Council,

Here are my planned public comments for tomorrow evening's council meeting. If you can't get them into the packets for tomorrow's meeting, I'll try again next week.

I've attached a .pdf and, in case the file didn't save properly in their entirety below.

Wed., Mar. 4th, 2026 Everett City Council Public Comment

John Peeples, Everett

Good Evening City Council,

I acknowledge the sheer courage of Henry Knox and his men who, 250 years ago late in January, completed their months-long, 300 mile trek through the miserable winter weather to haul the guns of Ft. Ticonderoga to Boston for our Patriot cause. And, just last week in North Carolina, a Patriot force defeated a Loyalist militia in the Battle of Moore's Creek Bridge. Stay tuned for more news in the weeks

ahead.

These brave acts shine with honor and deserve our eternal gratitude in contrast to your weaselly-worded 'land acknowledgment' designed to sow an unearned sense of shame in the hearts and minds of innocent citizens and spoken by those who have never offered up their own private property for reparation for supposed mistakes.

The false claim that we have made mistakes without naming any is defamation. Some day a brave city councilman will decline to perform this graceless uncivil sacrament.

It is good that we are here. It is good that the local Indian tribes gave up their practice of slavery per Article 11 of the Treaty of Point Elliott. Everett and Snohomish County are good. Our little republic of Washington is good, and our Great American Republic is good.

The council owes it to us to acknowledge that.

One way to do that is to hold every person accountable for his own actions. The council finds itself in quite the pickle by infringing on the civil liberties of citizens while attempting to withhold public records information from federal authorities in an effort to shield illegal aliens from the just consequences of their actions.

A community in which the local government squeezes one group while giving another a pass is inherently unsafe - the risks being abuse of authority by a council and police force that plays favorites. That is on you, not federal law enforcement.

I recommend removing the Flock cameras permanently in honor of the civil liberties of citizens.

I also welcome Immigration and Customs Enforcement everywhere in Everett to do its federal law enforcement job. I expect Everett police to assist ICE and other federal law enforcement.

I ask you to use your council comment time to urge Everett residents to not interfere with the federal law enforcement.

We should all want everyone to deal peacefully with each other in spite of our differences in opinion.

Good night,
